ACCOMODATIONS

Will be in a beautiful and relaxing beachfront villa. Double and triple rooms include private baths with hot water, suspended beds, private porches with hammocks as well as shaded hammock area by the beach. The cost includes lodging, daily self-service breakfast buffet (with fresh fruits, yogurt, cereal, granola, sweet breads, juice, coffee and tea), use of kitchen facilities, transportation and admission to Cenotes, and use of bicycles and snorkel gear at the Villa. Local transportation, other meals and personal expenses are extra. Participants will be responsible for arranging airplane reservations to Cancun. The program begins Thursday February 4th and runs through the evening of February 8th, 2010. You may choose to come early or stay later to avail yourself of the natural beauty and cultural opportunities in the area. A short distance away are numerous Mayan ruins, eco-archeological parks, markets with clothes and crafts, and inexpensive shops and restaurants. Upon receipt of your deposit, you will be sent more information and a list of what to bring.

You will need your valid passport.

VISIT THE ISLE OF WOMEN

Isla Mujeres - just a short ferry ride across the beautiful blue water from Cancun. In Mayan times the Island served as the sanctuary for the Goddess Ix Chel. The remains of her Temple still stands at the south point of the Island. Torch light used to filter through the holes in the walls and could be seen from miles out to sea. The Island was discovered in 1517 by the Spanish where they found Female Statues along the rocky Coastline, guarding the Island and announcing the power of the feminine.
